

# Cameras and DVRs

## Android Charging Dock Case Style Wi-Fi DVR (Item: DVR265WF)

Disguised as an ordinary Android charging dock this hidden camera and DVR appears to be charging your Android while covertly recording its surroundings. With the included Wi-Fi capabilities you can control, download, and stream video from anywhere in the world on the free app.

### Features:

**When you plug this Android charger into a power outlet you're secretly powering up a hidden camera and DVR with 1080p resolution and Wi-Fi capability. Check in on your home or office as this ordinary looking charger allows you to stream a live video feed on your smart phone via the free app.**

- Built-in Wi-Fi allows you to control, view, and stream video from your smartphone
- Remotely control, view, and download video from your smartphone/tablet anywhere in the world
- Records at 1080p/720p/WVGA @ 30fps
- Takes up to a 32GB SD card
- Appears and functions as a normal charger with built in DVR and 2MP
- Powered by AC outlet - for endless recording
- LED indicators for power, charging, Wi-Fi, and recording
- Over-write function; hassle free for changing the memory card
- LawMate part number IPV-CHG20I(droid)

**Perfect for high traffic locations where a phone charger would normally be placed. Plug one into your kitchen, playroom, or conference room outlet.**

# Cameras and DVRs

**Made by LawMate, supported by KJB - a winning combination**
